MOTOR THEFTS OCCUR MOSTLY DURING NIGHT

(By Associated Press) CHICAGO, Mar. 16.—Two-third of the automobiles stolen here are taken between 7:30 and midnight, and by far the greatest number at 10 o'clock while their owners are at theaters and other places of amusement, according to the committee on motor car thefts of the Chicago crime commission. Three hundred and twenty-three persons were tried here in connection with motor car thefts between January 1 and August 15, 1921.

Other observations of the committee follow:
A thief has been known to walk into a large public garage at night and cover the watchman and other employees with a gun while he drove away with the car of his choice. The thief usually prefers to hold up a man about to put his automobile in a garage, rather than to break into a garage after the car is locked up.

By far the greater number of stolen automobiles were taken not because of the intrinsic value, but so be used in various forms of law-breaking.

The large percentage of thefts seem to be committed by men or boys under the age of 25 years.

"The careless and indifferent motorist is responsible for the loss of many cars," says the committee.

Many hundreds of passenger cars are left standing at the curb, in alleys, in yards and other unguarded places throughout Chicago every night. Many are not protected by any locking device or lights. Many valuable cars are left standing along boulevards and other streets with engines running while their owners are elsewhere.

For these reasons the committee expects good results from action of insurance companies reducing rates in motor car thefts and requiring the owner to accept 25 per cent of the loss on stolen cars.

Establishment of a parking space where motor cars may be left under police guard for a fee has, in the opinion of the committee, done much to reduce thefts.

OAKLAND HIGH IS INSTALLING RADIO SERVICE

(By Associated Press) OAKLAND, Cal., Mar. 16.—The new high school building now nearing completion at Piedmont will have a complete radio telephone and telegraph sending and receiving set as a part of the regular equipment of the school for the technical instruction of its pupils.

The contract for the radio set has already been set and the specifications of the architect call for an antenna to be suspended between a pole 75 feet high, erected in the rear of the left wing of the building, and another pole, supported in a specially designed socket secured to the concrete corner of the building, extending through the roof. In order that the beauty of the building may not be marred, this pole is masked behind the higher roof of the auditorium.

Eagles Considerate of Catholic Church Event

Out of consideration to the ladies of the Catholic church, who are sponsoring the St. Patrick's Day ball to be given tomorrow night at Eagles hall, the Eagles will dispense with their weekly Saturday night dance this week. The St. Patrick's Day event is always looked forward to with much interest and it is expected that the attendance will be the largest of at any time in many years.

High School Dance Pronounced Success

The basketball teams of the Tonopah high school were given a complimentary dance at the gym last night by the student body. While the gathering was not as large as might have been expected the evening was replete with pleasure, and all enjoyed themselves immensely. Refreshments that were most inviting were served in abundance.

Surveyor Ray Is Now Deputy State Engineer

W. A. Ray, county surveyor, has received his commission as a deputy state engineer, the appointment having been made by Col. J. G. Scrugham, and his services will be confined to the southern part of Nevada in road construction.

The Bonanza is not afraid and dares print all the news.

BRITISH PLANS FOR PALESTINE ALMOST READY

(By Associated Press) LONDON, Mar. 16.—Provisional plans for the future government of Palestine under the British mandate which have just been issued make provision for the appointment of a high commissioner to be known also as commander-in-chief. He is to have power to appoint an executive council to be "constituted in such a manner as may be directed by the British government."

The high commissioner will also be assisted by the legislative council of 25 members. Of these latter, 12 are to be elected and every man in Palestine over 25 years old will be entitled to vote.

HONOLULU PLANS TO ENTERTAIN VISITORS

(By Associated Press) HONOLULU, Mar. 16.—Delegates to the Pan-Pacific Commercial Conference, which is to begin here October 30, will devote several days to sightseeing, including a 3-day trip to the active volcano of Kilauea on the island of Hawaii. A. H. Ford, director of the Pan-Pacific Union, which is sponsoring the gathering, has announced.

Most of the delegates from the mainland of the United States will arrive on October 30. Business sessions will begin October 31 and continue until November 7, the delegates leaving Honolulu the next day for the island of Hawaii. The mainland delegates are to leave for their homes November 15.

Ford said he had obtained the approval of Secretary Hoover for the conference and that representatives of nearly all the nations bordering the Pacific had promised to attend. Secretary of State Hughes also promised to co-operate and to forward invitations to foreign countries.

SILVER GODS ARE HERE FROM BARODA

(By Associated Press) LONDON, Mar. 16.—Silver gods from the palace of the Gaekwar of Baroda have been brought to this country for sale.

One of these is the famed elephant. It stands 7 1/2 inches high and is jeweled with rubies. Other gods to be disposed of are Kandeh Rao, the form of Shiva, as worshipped in the land of the Maharrattas; Anna Purna, the "Giver of Food"; and Surya, the sun god, seated on a lotus.

The collection of gods in the palace of the Gaekwar is reported to be worth 2,000,000 pounds and at Durbars he wears a necklace containing a diamond worth 80,000 pounds, known as "The Star of the South."

WOULD COLLECT ON GAMBLING LOSSES

(By Associated Press) PROVIDENCE, R. I., Mar. 16.—Recovery of \$500,000 for losses at roulette, alleged to have been due to fraudulent operation of wheels, is sought by Edward T. Bannan, a New Bedford attorney, who has sued six defendants in the federal court.

STOCK AFFECTED BY BLUSTERY WEATHER

H. F. Alps, of the Reno weather bureau, has issued the following report touching upon crop and range conditions for the week ending February 14:

"The past week was extremely cold, except at the close when there was a change to much warmer weather. Tuesday was the first day with normal temperatures since February 25, which was slightly warmer than normal. The lowest temperature at Reno was 7 degrees above zero on the 12th, the lowest at Winnemucca was 8 degrees above zero on the same date. The weekly mean temperature was about 10 degrees below normal. Windy weather prevailed and there were frequent snows over the northern two-thirds of the state.

"The blustery, cold weather caused much suffering to stock and some losses in lambs and young calves. Heavy feeding of stock continued in the north portion, and the supply of hay was still ample. All stock in the south portion were on the desert range where forage was sufficient to keep them in fair to good condition. The ample snowfall has furnished water for stock so that all desert ranges are available.

"Ranch work was generally confined to the care of stock, but tractor plowing had started in the Lovelock district. In most localities it was too wet for proper cultivation of the soil. Winter grain is in poor condition in the south portion, and in some localities it was winter killed. The range in the south portion is reported as unusually good. Dirt roads continue in poor condition, but they were improving in the lower elevations."

PERSONAL

FRED VOLLMER is in from Silver Peak for a visit of a few days.

A. L. MITCHELL, mining and business man of Springfield, is a business visitor to Tonopah.

J. M. FENWICK, the broker, was a business visitor to Goldfield yesterday.

J. D. NOYES is here from Hornsby making arrangements to move his family to that camp to reside indefinitely.

MRS. M. P. SHEPARD, wife of the superintendent of the pump station at Rye Patch, is a visitor to Tonopah.

W. F. LOGAN, accompanied by his wife, left this morning for Richmond, California, having been notified by wire of the serious illness of his father.

WALTER DRYSDALE, who has been ill for several days, is reported as much improved. Mr. Kirchen is still indisposed, but is convalescent, and it will probably be several days before he will be able to be back at his desk.

WILLIAM MCCLURE, editor of the Manhattan Magnet, who was taken to the Mine Operators hospital yesterday morning suffering from a threatened attack of pneumonia, was reported this afternoon as being greatly improved and as getting along nicely.

A. H. JONES, formerly mining superintendent for the Tonopah Belmont Mining company, but now residing in Salt Lake City, was an arrival in Tonopah this morning. Mr. Jones serves as treasurer of the Hudson Mining company, and is here for the purpose of inspecting that property.

Payment Grazing Fees In Two Installments

"The supervisor's office has been notified that grazing fees for the season 1922 may be paid in two installments, half to be paid before the opening of the grazing season and the other half to be paid before December 1," says J. W. McGowan, supervisor of the Toiyabe reserve.

"Consequently, two letters of transmission will be issued each permittee upon the approval of his grazing application and if he desires to take advantage of the deferred payment, he may send one letter with his money for half the fees to the district fiscal agent, retaining the second letter of transmittal and transmitting that on or before December 1."

George Allen Accepts Position Police Force

Chief of Police O. H. Smith has completed his appointments and the announcement was made officially this afternoon that George Allen, a veteran of the late World War, would take a position as one of the officers beginning tonight. The force now consists of N. L. Schade, as chief deputy, as day officer, and W. A. Rogers and George Allen as night officers.

LOST

LOST—Goodyear cord tire, 3 1/2x4 1/2, on road leading to Goldfield. Liberal reward by leaving at Bonanza.

FOUND

FOUND—Auto robe. Describe property and pay for this ad and it is yours.

FOUND—Copper kettle with coils. Prove property and equipment is yours. Address Box LL, Tonopah.

FOUND—Gold bracelet set with jewel. Describe, pay for ad and take away. Bonanza office.

AMUSEMENTS

BEAUTIFUL ALICE JOYCE IN SPECTACULAR PICTURE

An unusual story of spectacular scenes, elaborate sets and real dramatic action will be shown at the Butler today when Alice Joyce, as beautiful as ever, will be seen in an adaptation of Charles Caldwell Doble's famous novel, "The Blood Red Dawn." The picture version is entitled "The Inner Chamber." It is one of those photoplays which is bound to win favor and one which is classed as a special production. No expense or effort has been spared in making this a big production. In one of the scenes, to give it the proper atmosphere, in a Greek eating house in New York's foreign quarter, foreign actors including real Greeks, Spaniards, Italians and French were engaged. The entire cast is an excellent one, including Mrs. De Wolf Hopper. Never has Miss Joyce appeared to better advantage than as the girl who was beset by enemies because she refused to dine with her employer while his wife was away and who, in order to support her mother, went from one position to another, always followed by her enemies and always finding unhappiness until she drifts to a restaurant as a cabaret singer and there becomes acquainted with the famous Greek doctor who heals her mother and falls in love with her. It is a picture that will long be remembered after the last scene has faded from the screen. Added to the program, the latest Pathe News.

Tomorrow, a red-blooded, outdoor story, "The Rider of King Log," and a boys' animal picture, "Netting the Leopard."

Monday, "Shame." Watch announcement.

Arrowhead Road Is in Bad Condition

Martin Kennedy and S. A. Cassidy arrived last night from Arrowhead after a strenuous experience. The road leading to that camp is in a deplorable condition on account of the melting snows from the mountains and in the vicinity of Salisbury wash the highway has been damaged for considerable distance, making travel almost impossible.

Polish Will Assist Many Small Farmers

(By Associated Press) WARSAW, Mar. 16.—An appropriation of 3,000,000,000 marks has just been voted by the Polish government for the aid of small farmers ruined by the war. Fifty per cent of the Polish refugees now returning from Russia are petty landowners, whose holdings have been destroyed.
